Subject: NYPD COMSTAT meeting

The first Thursday we've been able to identify to attend a COMSTAT meeting and get a briefing is Thursday, February 1. Simply put, nothing earlier would work.

This date is subject to the approval of the NYPD. It has visitors to COMSTAT meetings all the time, and there are limits to how many visitors per meeting. However, this far in advance, we think our chances are pretty good to get approval.

Let me know if you are interested in going.
